

the difficult airwaycourse™ ANESTHESIA

Thinking about Clinical Practice Improvement?

REGISTER TODAY for this advanced CME program to improve your practice in these high risk areas:

- **Difficult airway and awake intubation**
→ When & how to do a stress-free awake intubation.
- **Failed airway and open cricothyrotomy**
→ Master the “can’t intubate, can’t ventilate” scenario.
- **Safe extubation and the airway exchange catheter**
→ When & how to use this critical, but underused tool.
- **Crisis team leadership**
→ Learn techniques to gain control of the worst situations.

Cap off your experience by managing challenging scenarios in Code Airway™ Simulations.

**Pre-Course
Lung Separation Workshop!**

Visit theairwaysite.com for details.

“First day back to work and already used two things I learned in your course.”

David Crumley, MD,
Cedar Rapids, IA

CME Credits

Schumacher Clinical Partners designates this live activity for a maximum of **18.5 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity. An additional **3.5 AMA PRA Category 1 Credits™** will be awarded for the Lung Separation Workshop.

This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education through the joint providership of Schumacher Clinical Partners and Airway Management Education Center. Schumacher Clinical Partners is accredited by the ACCME to provide continuing medical education for physicians.

The Difficult Airway Course: Anesthesia has been prior approved by the **American Association of Nurse Anesthetists** for **18.50 Class A CE credits**; Code Number 1033867; Expiration Date 11/19/2017.

The Lung Separation Workshop has been prior approved by the **American Association of Nurse Anesthetists** for **3.50 Class A CE credits**; Code Number 1033868; Expiration Date 11/19/2017.

Participants in the ANZCA CPD program may claim this CICO course as an emergency response activity in their CPD portfolio. Recognition Code: ER-14-CICO-087.

About Us

Airway Management Education Center was founded by Michael F. Murphy, MD, Ron M. Walls, MD and Robert C. Luten, MD in 1998. Since then, almost 30,000 physicians and advanced medical providers have taken The Difficult Airway Courses. Our faculty are renowned experts in airway management with an impressive portfolio of research and publications. They share an unparalleled passion for teaching, which translates to an extraordinary learning experience.
